

## **CPA / Tax Accountant**

### **About the Tax Accountant Role:**

Our firm is currently seeking an experienced Tax Accountant with multi-state preparation experience. In this role, you are responsible for preparing and filing complex tax returns. This includes compiling supporting financial statements and documents so that you are prepared to respond to any inquiries from regulatory agencies. Applicants should have a bachelor's or master's degree, preferably their CPA credential, and at least five years of professional tax prep experience.

### **Tax Accountant Duties and Responsibilities:**

- Prepare and file complex tax returns
- Prepare financial statements
- Assist with federal and state tax audits
- Respond to inquiries from regulatory agencies
- Perform tax research, staying up to date on changes
- Prepare sales tax returns

### **Tax Accountant Requirements and Qualifications:**

- Bachelor's degree in accounting, finance, or a related field
- Experience in the aviation industry is a plus
- Master's degree a plus
- CPA license strongly preferred
- Tax preparation experience (5+ years preferred)
- Efficient with QuickBooks

### **Employment Type**

Full-Time In Office

### **Location**

Fort Lauderdale, FL

### **Benefits Offered**

Health insurance, disability insurance, 401(k), 9 paid holidays, 3 weeks paid time off, business-casual environment

### **About Us**

Our company is a CPA firm specializing in business aviation tax and accounting services, as well as publishers of an aviation tax software. We offer tax strategies, solutions and technology for aircraft owners, operators and tax professionals. Our office overlooks the runways of the Fort Lauderdale Executive airport, one of the country's busiest general aviation airports.

### **Why Join Us**

Our firm is a well-established, small organization that has been a recognized leader in providing aviation tax and financial services to the business aviation industry for nearly 40 years. This niche industry offers a rewarding opportunity to work within a unique market that provides an abundance of exciting growth opportunities. Being a small company, by joining us you will have the advantage of working in a tight-knit environment, have direct access to company owners/partners, deal with less red tape than with larger firms and have plenty of opportunities to be recognized for making positive contributions to the organization and to gain specialized skills related to this unique industry.
